2025/2026

WELCOME

First and foremost, I would like to extend a huge thank you to our 2024/2025 Barn Sponsors. Your support enabled us to deliver our biggest and best competition season to date, furthering our mission of providing top-level equestrian sport right here on the West Coast.

Nearly six years ago, we set out to create a world-class horse park that puts horses first. Today, we hope you have found DIHP to be just that — a “horses’ horse park” with top-tier amenities for horses, riders and guests alike.

Whether you are joining us for the first time in 2025/2026, or you have been with us since we took the reins to the Desert International Horse Park back in 2019, we are thrilled to welcome you. We invite you to become a part of our growing community of Barn Sponsors who support us in delivering the highest quality experience for you, your clients and your horses.

We look forward to an amazing 2025/2026 season with you!

PRESIDENT & CEO, Steve Hankin

*Sponsor to provide jump; jump to be approved by competition management

I would tell anyone that can to consider sponsoring here, the impact you will have on this project is far greater than we realize and the impact is huge for our horses. The more we can give, the more we will because DIHP provides a home, a community, a family, and next level competition for us all from November through March. If we as trainers can give back, we all should.

MK EQUESTRIAN, Mark Kinsella

We view our sponsorship as a form of thank you to the vision that DIHP has for our sport now and going forward. The sense of family we felt from everyone since day one was clear to us, all while pushing the level of the sport to higher levels both competitively and in presentation.

WOODHILL FARM, Matt Cyphert & Audrey Norrell

Our sponsorship has opened doors and we have met amazing people, professionals and created wonderful working relationships in the equestrian world. We would tell any barn owner/trainer to absolutely consider a sponsorship when given the chance! We value our partnership with the Desert International Horse Park and look forward to many more rewarding years of collaboration with them.
